The college takes initiative to assess the needs of required gaps to be filled up in terms of knowledge and skills to the students before the commencement of the program.

Orientation Program - Students entering into the institution , are oriented with the infrastructure facilities, library resources, student policies, University examination policies, Subjects, TCS-iON Attendance system, Co-curricular activities, students Clubs, Code of conduct, and value added programs.

Through the Principal's address to the students, in the beginning of the year, they are informed about the various academic and other schemes along with the development and achievements of the college. Orientation lectures are organised at the departmental level to inform the students about syllabus, semester pattern, discipline, dress code and employment opportunities etc...

Aptitude test is conducted for UG and PG students to analyse and evaluate the students at the beginning of the semester general aptitude levels.

Bridge Course - Students come from different academic background in terms of education. Hence, to bridge the gap, a short course on Accounting, English communication, Mathematics, Management concepts, Life sciences and Computer science is conducted by the respective departments.
